**Subject:** Dimock - Maps Uploaded to OSC Website

Rupert,  
I uploaded 2 maps (aerial and topo) showing the locations of the Cabot Wells and homes sampled by EPA to the old OSC website for Dimock. They are uploaded as "Exclusive". Also, I was having some issues getting some of the text to convert into the PDF, so for now I just exported it as a jpg. I can work on the PDF next week. In the meantime, can you review them and let me know if you want any changes?

Thanks,

Suddha Graves
